GEOGRAPHY

[MAKE A VOLCANO](#)

You may have seen some examples already in the classroom. This is an idea from the Natural History Museum. You can try this at home. More information on [volcanoes](#) here.

[MAKE A TSUNAMI](#)

We had a wonderful example of one of these last year. Why not try your own. More information on [tsunami](#) here.

[MAKE A RIVER MODEL](#)

For those who are practical, and have access to the materials, here is another model you can try out. If you can't get all the materials, at least there are some ideas here.

[MAKE A RAINFOREST BIOME](#)

This is a model for a Rainforest Biome in a shoebox. More information about [Tropical Rainforests](#) here.

[IMPROVE YOUR MAP SKILLS](#)

This is a website with some games on it that will help you with your map skills.
