TRY CREATING YOUR OWN DIGITAL COLLAGE

London born Martin O'Neill is a graphic artist & illustrator who creates mixed media collages. You can explore his artwork and view many of his collages.

<https://www.cutitout.co.uk/>

Using the website link below, you could try creating your own digital collage inspired by the artists Martin O'Neill. The website is free to use, but you will need to create a user account which is quite straight forward.

It is quite easy to navigate around the site and create your collage and I am sure you will be able to make some great individual digital collages.
